Awe and Wonder.

SMSC.

Pupils from Cambian Wisbech School went to Church to learn about Christmas and the significance of the Christingle.

The pupils learnt that the orange symbolises the world that we live in, the ribbon represents the blood of Jesus, the four cocktail sticks represent the four seasons, the sweets represent the belief that God gives good things and the candle represents the belief that Jesus is the light of the world.

The pupils were very excited to take part in making their own Christingle. All pupils were exceptionally well behaved throughout and the Reverend commented on how impressed he was with their attitude and behaviour during the visit.
