

Jingle All the Way

Cambian Tyldesley School staff and students dedicated their time on December 11th 2025 to a charity walk for Derian Children's Hospice. This initiative is part of a broader, ongoing commitment by the school to community engagement and supporting vital local causes.

Derian House Children's Hospice, a local charity, relies heavily on such fundraising endeavours to provide comprehensive care and support to children and young people with life-limiting conditions across the North West. It costs the hospice approximately £6 million each year to operate, with only a small fraction coming from statutory funding; the rest is generated through the generous donations and events organised by supporters like the Cambian Tyldesley students.

The students at Cambian Tyldesley School had so much fun taking part in the reindeer walk to Rivington Pike. The students and staff all supported each other to complete the challenge, all students have been very enthusiastic taking part and raising money for such a wonderful charity. Last year the children raised £904.25 for Derian House and are determined to exceed this amount this year. Well done everyone for taking part!
