Selection box donation drive - 2025

Wisbech School students donated 117 chocolate selection boxes to Wisbech food bank!

Wisbech school students, staff, carers and families all came together to support Caretech's Christmas selection box donation drive.

Each school or college was tasked with donating as many selection boxes as possible to their local foodbank.

Our local recipient is Wisbech Foodbank who were overjoyed with our donation of 117 chocolate selection boxes this Christmas.
