

Dear Parents and Carers,

I hope this message finds you well.

I am writing to confirm the arrangements for the upcoming Easter break at Wisbech School.

The school will close to pupils at the end of the school day on Friday 27th March 2026.

Please note that Monday 13th April 2026 is a staff training (INSET) day, and the school will therefore be closed to pupils on this date.

We look forward to welcoming pupils back to school on Tuesday 14th April 2026 at the usual time.

We wish all our pupils and families a safe, restful and enjoyable break. Thank you for your continued support in all that we do at Wisbech School.

Best regards,
Tawanda

Introducing Our New Assistant Headteacher

We are pleased to welcome Loren Davies, who is joining Wisbech School as our new Assistant Headteacher. In this role, she will support the leadership team with the day-to-day running of Anglia Way and help ensure that all students are able to achieve their personal best.

Loren brings valuable experience from another Cambian SEMH school, where she previously worked as a Psychological Welfare Practitioner before progressing to Acting Deputy Headteacher. Throughout her career, she has seen first-hand the importance of building strong, trusting relationships with young people and working collaboratively with their families. She is deeply committed to advocating for the feelings, needs and wishes of students and those who support them.

Loren believes that, by working together, young people can enjoy a positive educational experience and learn in ways that best suit them and preparing them for further study, employment and adult life.

Her academic background is in Forensic Psychology, and prior to working in education she spent several years in NHS mental health services, supporting both adults and young people with a wide range of complex needs, including ADHD and ASD. She also has significant experience delivering both group and one-to-one therapeutic interventions focused on emotional regulation, anxiety and low mood.

Loren is very much looking forward to getting to know the school community and contributing positively to the continued growth and success of all our young people.
