

Outcomes:

- To Explore and learn.
- Behave well in public.
- To work on map reading.

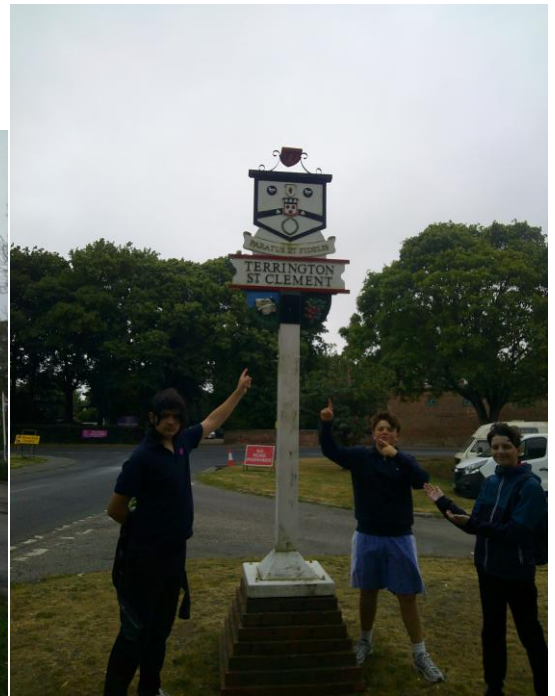

Description of trip: Our first trip and last trip we completed the same walk. 4.4 miles of walking around Terrington Saint Clement. We have learnt so much in the weekly walks we have completed. We have learnt that we have to prepare for all weather types and that the weather can change really quickly. We have learnt that keep asking when it will be finished doesn't speed up the walk, but talking, laughing and singing certainly helps the miles tick by. We have embraced all conditions from hail and side ways rain to blazing sunshine. It has been fun to do the orienteering this year and will help us if we go onto complete The Duke of Edinburgh's award.

Quotes:

"We have conquered Terrington Saint Clement"

"I've enjoyed the walks"

"Thank you Lucy"

Everyone has a personal best
