

Sports Day – Dalby Forest – July 2026

We held our annual sports day on 13th July 2026 at Dalby Forest, it was a wonderful sunny day and everyone had a great time!

There were a variety of sports races, including the traditional egg and spoon race!

Staff were very impressed with the sportsmanship shown by all our pupils with the theme of the day being to have a go – it's the taking part that counts – not the winning!

Later in the day there was time to have a well-deserved ice cream and paddle in a shallow stream by the Dalby Forest Visitor Centre.
