

CSE Pathways of Care

All our children's homes and registered supported accommodation are Ofsted registered.

Our homes all have ACSEP trained practitioners leading and working within their homes - a unique, Level 4 CSE qualification.

Our packages include education.

Our homes are supported by a clinical team - the homes follow a therapeutic model, foundations for attachment.

Semi-Independence

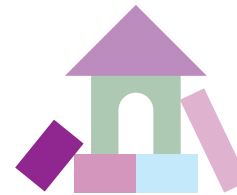

Supported Accommodation
Registered with Ofsted, building life skills, support worker support, career skills, support with housing and next steps

Group Homes

Group Homes

Therapeutic environment, living with other children, 1-1 support, reducing risks

Specialist Group Homes

Homes specialising in specific areas and needs of the children

Specialist Group Homes

Solo Home

2-1 Solo Home

High end risks, increased staffing, waking nights

Planning and Assessment

12 week assessment written by the clinician of the home identifying the child's needs and support required.
