Admission Policy

At Home Tree School, we are registered to care for and educate children from the age of 12 to 18 covering Key Stages 3-5. No child is refused entry on the grounds of race, ethnicity, gender, religion or sexual orientation. We require confirmation of the date of birth of a child.

Home Tree School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.

Pupil Profile

Our school provides for those with ongoing emotional and social difficulties and mental health difficulties as well as other needs or diagnoses including ADHD, ADD, and other difficulties. Most of our children are referred to us and funded through the local authorities and are known by Child Adolescent Mental Health Services (CAMHS). Some of our children will have a Statement of Special Educational Needs or an Education Health Care Plan (EHCP). Others may be undergoing assessment or will be recommended for assessment following admission. Pupils enter our school via two main internal routes: via our own care home- Cambian Meeko House (onsite) or Tier 4 hospital (Cambian Willows).

Internal – placement from a Cambian Children’s Home or Cambian Hospital

Integral to the placement of a child in a Cambian Children’s home or hospital is the provision of education. It is incumbent on us to ensure that the educational placement is fit for purpose. The forms part of a multi-disciplinary discussion prior to agreement for admissions and a transition plan is agreed. Fundamental to this process is the quality of communication from the time when the Commissioning Manager makes the initial contact with the care and education colleagues’ right through to the child being admitted on to the school roll. High quality communication and transparency between the school and the children’s home is essential to this process.

Special Educational Needs

Where a child with a Statement of Special Educational Needs joins our school, we will always consult with parents/guardians/carers and, where appropriate, the Local Authority to ensure that the required curriculum is provided for as set out in either the *Statement* or the *Education, Health and Care Plan* (EHCP) including the full National Curriculum if this is specified. We will also co-operate with the Local Authority to ensure that relevant reviews, including the annual review, are carried out as required by regulation and best practice. The school will make reasonable adjustments to meet the needs of children with a statement of special educational needs. Any additional services that are needed to meet the requirements of the Statement or additional services such as dyslexic tuition will be subject to charge. This will be either directly to the parents/guardians/carers, or the Local Authority if they are responsible for the fees and our school is named in Part 4 of *The Statement* or the relevant section of the EHCP. Our school has a policy and procedures for children with *Special Educational Needs and Disabilities* (SEND) in line with the *SEN Code of Practice* (July 2014)

English as an Additional Language

Our school will make provision for children who have English as an additional language, (EAL) in the assessment procedure. We do not regard children as having a ‘learning difficulty’ solely because the ‘language or medium of communication of the home is different from the language in which he or she is or will be taught’ (Education Act 1996, Section 312(1), (2) and (3). However, pupils for whom English is an additional language (EAL) will be provided with appropriate support provided they meet our School Academic criteria. They will be assessed to gauge the support that may be needed in order to ensure equal access to the curriculum along with all other aspects of life at our school. Our school has a policy and procedures for students requiring *English as an Additional Language* (EAL).

Admissions Policy Appendix

Young people may be referred to Cambian Group at any time during the academic year in one of two ways:-

- Via Cambian Group
- Via a local authority

Home Tree School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.

As much information as possible will be sought at the point of referral to inform assessment as to whether the referral is appropriate and as to whether the school is able to meet the needs of the young person. Information sought should include:

- young person's name;
- age and date of birth;
- gender;
- ethnic background, cultural needs, religious needs/persuasion;
- health needs & history;
- educational history, needs, current provision, support received & required including whether there is a statement of special educational needs proposed educational plan;
- risk issues, level of supervision required, establish if any history of self-harm/suicide, history of volatile and aggressive behaviour, child protection issues, risks presented by third parties;
- expectations and requirements sought by the placing authority to meet the young person's needs;
- the name, address and telephone number of the young person's case accountable social worker (if applicable);
- the young person's legal status;
- the young person's and their family's social history;
- any special issues e.g., restriction of contact, child protection and
- criminal history (if any) and whether any existing criminal proceedings are outstanding.

The information provided will assist the Headteacher in his/her assessment as to whether a school placement is viable and appropriate. The Headteacher will consider whether the school has sufficient staffing in terms of number and experience to manage such admission both in terms of the individual young person's needs and respect of the potential impact that the admission may have on existing group dynamics. Should a referral be accepted for admission, the school will notify the company's finance department as soon as practically possible in order that the appropriate contract arrangements can be administered with the relevant placing authority. Measures of control, discipline & restraint and the requirement to search used by the school are made clear to the placing authority, the young person and parents/carer before the admission.

Admission

The young person's details need to be entered into the admissions register and accompanying information filed. The young person will be shown around the school and introduced to the staff and other young people. An individual timetable will be discussed, taking into account of the young person's age, aptitude and ability. Initial assessments will be carried out within the first two weeks from admission and a copy of the results will be sent to the placing authority. First impressions count and the admission of the young person into our school is one of the key elements in determining the success of the school placements.

Reintegration to other educational establishments

Where possible we intend for young people to be discharged in a planned and purposeful way. This may be to a mainstream school, college, or other educational establishment. The move should, wherever possible, be promoted as positive, progressive and in the young person's best interest. A discharge/transfer form will be sent out to the Finance Department. Any relevant documentation will be forwarded to the new establishment.

Home Tree School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.
