

Contact Us

Life is very uncertain at the moment but we will try our best to keep you updated and informed as much as we possibly can.

Thank you for keeping your child at home and keeping both your own family and our families safe and well.

Please only send your child to school if we contact you to confirm it is safe to do so.

However, if you are experiencing childcare issues please contact us and we will discuss the safest options available, which may be limited.

If you contact us and there is no answer please leave a message and someone will get back to you as soon as possible. The best method of contact is by email please.

Message from the Head Teacher

As we are nearing the Easter holidays we can reflect back on our pupils' achievements over the term which have been plentiful and pleasing to witness. We are very proud of all our young people and we are very fortunate to have such a positive and resilient staff team.

In these current worrying times we appreciate the support from parents and carers in putting their children first in keeping them safe and well. While the end of the situation may be a long time coming, it will pass. Whether in school or remotely we will endeavour to continue to support our young people to achieve their personal best.

Horse Therapy for students at Cambian Scarborough School

This term some of our students have been enjoying trips to Snainton Riding School where they have been taking part in Horse Therapy. Horse Therapy encompasses a range of treatments that involve activities with horses to promote good physical health and mental wellbeing for our students.

The students spend time grooming the horses, tacking them up and leading them to the field or indoor arena where they get to participate in a horse riding lesson.

Our students were a little apprehensive at first, but soon realised that horses can be very calm and gentle and have very good temperaments. We have already seen the benefits of this therapy and have watched our students enjoy their time with the horses and have seen their confidence grow.

Our staff have commented on the very commendable behaviour of our students whilst offsite from school and have loved seeing our students smile and hear them giggle and laugh whilst trotting around on their horses.

The students now look forward to horse therapy each week and thoroughly enjoy this new activity. We hope to extend Horse Therapy in the future to enable more of our students to participate and benefit from this worthwhile addition to the school timetable.

Duke of Edinburgh Expedition

From the 11th to the 13th March, three pupils from Scarborough school took part in and completed their Bronze Duke of Edinburgh qualifying expedition, with one of them also fulfilling their Silver practice expedition.

The expedition involved a day of planning and preparing route cards and equipment, including food and tenting. On the 12th of March the pupils set off from Cloughton, just outside of Scarborough, on their walking expedition to Robin Hoods Bay near Whitby. Along the way they were met by the assessors and despite the windy conditions they were full of confidence and really enjoyed the beautiful scenery.

They camped overnight at Robin Hoods Bay and set off the again the following morning, the pupils worked very well together and were happy to have completed the expedition element of the Duke of Edinburgh award.

The staff here are all incredibly proud of the students who took part and accomplished this fantastic achievement – well done!

Keeping Safe on the Internet

Most of us are now saying safe at home in isolation, which probably means more time is being spent using the internet and electronic devices. It is really important to also remember to keep your children safe online.

IMPORTANT THINGS TO CONSIDER

1. Set parental controls on all devices
2. Content lock should be set on smartphones
3. Control app downloads and purchases
4. Make all game consoles safe and secure
5. Use safety mode on YouTube & Google
6. If using social networks check privacy settings

Go to internetmatters.org/controls for a great step by step guide.

Arts & Crafts Competition 2020

Our annual arts & crafts competition is still going ahead as planned but with an extended deadline date of Friday 8th May.

The Arts and Crafts event, where a national winner will be crowned, is scheduled for later this year, however the dates are currently under review.

Thank you to all those students who spent time completing their art work in school earlier this term, we have some really great pictures and painting to submit, your art work will be entered into the competition as planned – good luck!

World Book Day 2020

World Book Day took place on Thursday 5th March, all the students and staff were invited to come to school in fancy dress costumes and join in with some fund raising games and activities.

We had a Fantastic Mr Fox from the famous Roald Dahl book, a religious nun wearing her full habit, an intimidating Kylo Ren from Star Wars, a beautiful mermaid called Ariel, a very orange Ompa Lumpa from Charlie and the Chocolate Factory along with a Violet Beauregarde who had already eaten her bubble gum dinner and turned into a ginormous blueberry, fortunately the Ompa Lumpa rolled her away to be squeezed! We also had the Artful Dodger from the Charles Dickens novel Oliver Twist, a very strange Dr. Jekyll and Mr. Hyde character from Scottish author Robert Louis Stevenson, a beautiful princess called Merida from the Disney book Brave, a Little Red Riding Hood (fortunately without the wolf) and the Queen of Hearts from Alice in Wonderland.

Our winner was Jamie, who won first prize for the most convincing character adaptation as Shmuel from the brilliant book by novelist John Boyne - The Boy in the Striped Pyjamas.

The whole school took part in a book themed quiz, students also had the opportunity to design and made their own book marks and their own book covers.

On the day some of our students also baked and decorated buns to raise money for charity, everyone enjoyed the day and had lots of fun! Thank you to everyone who took the time and trouble to dress up and join in.

Dates for your Diary – Subject to Change

According to the latest government advice the safest place for your child is at home, please continue to stay safe and stay at home. Although the school is open please do not send your child to school without first making contact with us to discuss the options available. Email: patricia.peake@cambiangroup.com or tel: 01723 582073 / 07896 561273. Thank you!
