Travelling.....reduce the number of journeys you make where possible. Plan ahead and avoid busy times and routes on public transport. Avoid unnecessary travel to tier 3 areas.

Education....schools, colleges and universities remain open.

Work & business.....work from home if you can.

Message from the Head Teacher

We've had a busy term with lots of hard work and some fantastic exam results for our older students. Even though we were not able to hold our usual Open Afternoon this year, our Awards Ceremony still took place and I am pleased to say that there were numerous certificates to be given out to our students.

Thank you to everyone who took part in the fund raising for Children In Need and helped to raise £198.50 for this very worthwhile cause.

On the whole student behaviour has been very good this term, with many students either earning gold and silver awards each week or gaining all their stickers!

With regards to COVID-19, we are currently following the rules for Tier 2 Restrictions and ask that all parents and carers notify us immediately if your child or any member of your household comes into contact with anyone with COVID-19 or displays any symptoms.

I am always available to any parent or carer wishing to discuss any aspect of their child's time with us, please just ask.

Thank you to all parents and carers for your continued support.

Keep safe and well,

Patricia Peake,
Headteacher.

Hand Washing

Please remember to keep washing your hands at home, thorough hand washing with soap and water will help to keep you safe and well.

School of the Year Winner!

Cambian Scarborough School is the winner of the Caretech 'School of the Year' award this year!

The award was given to us 'for a school that has excelled in achieving positive outcomes for its students. A staff team that are innovative and committed to the delivery of learning outcomes and excelling in supporting and meeting the educational and developmental needs of their students'.

A big thank you to every parent and carer who took the time to give us a letter, email or feedback of any kind which we were able to submit with our entry and to all the students who gave us comments and praise to put forward.

Language Day

This term in school pupils and staff enjoyed a Greek themed language day, they learnt some of the more common words and phrases from the Greek language and were given a variety of typically Greek foods to try such as; moussaka, pitta bread, traditional salads, feta cheese, olives, taramasalata and baklava.

Forest School

Despite the cooler weather, pupils have continued to enjoy their Forest School activities and this term have been shown how to responsibly build a fire and cook their own lunch which was a hot jacket potatoe with beans.

Remembrance Day

In November all of our pupils took part in a two minute silence for Remembrance Day followed by a visit to the memorial at Oliver's Mount where they were able to see the poppy wreaths.

Anti-bullying Week

Pupils took part in our Odd Socks Day as part of Anti-Bullying week along with several lessons and activities on the subject. Additionally pupils are also taking part in a school art project on the topic of Equality and Diversity are are completing different parts of a jigsaw that will eventually become a completed piece.

Children In Need

In October four of our year 11 pupils organised several fund raising activities for Children in Need. They baked cakes and biscuits to sell and organised a 'guess how many jelly beans' are in the jar game, a 'guess the name of the dinosaur' game as well as setting up a tombola with prizes. The pupils also made a wooden structure during their vocational lessons and convinced Tricia our head teacher to agree to a game called 'sponge the head'!! There was a long queue....all the pupils took a turn at throwing three very wet sponges at Tricia, some of whom seemed to enjoy it a little too much, but it was of course all for charity! It was great to see the year 11 pupils working so well as a team and putting in so much effort to organise and promote these activities for the whole school to appreciate and take part. A grand total of £198.50 was raised for Children in Need and additionally all the year 11's hard work will contribute to the charity element of their Duke of Edinburgh Silver Award.

Local Charitable Event

Pupils have been bringing in toiletries to school to help to support a local charitable event run by the Scouts. These items have been gift-wrapped and after a period of quarantine will be distributed to elderly residents in local Care Homes. Thank you to everyone who donated, I'm sure the gifts will be very much appreciated on Christmas day.
