**\*Dyslexia and Dyscalculia Screeners as and when required. PHAB Assessments follow a bespoke timetable for individual learners.**

\*\* Due to the complex needs of our students some may find it difficult to engage and access the assessments. Where a pupil has not engaged despite a range of implemented strategies, staff should still record this on the assessment tracker e.g. refused to engage, did not complete etc. and give reasons why.

***NB: Standardised GL assessments and mocks will support accuracy of teacher assessments for Y11 outcomes, summer 2021***
