

Whilst World Book day looked a little different in Lockdown, we still love reading and celebrating books. Our challenge this year was to make a book character from a potato! We also had a Zoom book quiz where we answered questions about our favourite books and named some famous book characters.

First prize goes to Harrison for his simple yet beautifully presented Snowman. Stunning work!

Second Prize goes to Invincible. We loved the use of a variety of materials in this creation, especially the marshmallow noses!

Third prize goes to Endeavour 2. We liked how this linked with the work you have been doing in class and the creative use of a range of materials.

Shakespeare Week

In March, we celebrated Shakespeare week. Each class took a different Shakespeare play and created a story box to help describe the plot. There were lots of literacy activities themed upon Shakespeare.

Endeavour bespoke produced a mini film of the Tempest, Discovery learnt about plot themes in Shakespeare plays and Invincible designed a sensory story of A Midsummer's Night Dream.
