Wing College Collect Eggs for Bournemouth Food Bank

Cambian Wing College's student council set out this year to collect Easter Eggs for the Bournemouth Food Bank.

They wanted to ensure that children in need from local families did not miss out on the Easter tradition, and set themselves the target of collecting 50 eggs.

The students did brilliantly in their drive, and collected over 80 eggs in total, making their haul far more impressive than they had planned.

A huge congratulations to the students on their fantastic effort and we thank all those who donated to the cause!

Easter Egg Collection

We are once again collecting donations for the food bank, this time we are donating Easter eggs to help families in need.

Please either bring in at least £1 or bring in your own bought eggs to donate [©]
