

# Scarborough School Selects It's School Council!

As part of our yearly process, pupils from each key stage were asked if they wanted to stand for School Councillor. There were two positions available and three pupils voiced that they would like to be on the School Council. They were asked to complete a Nomination form stating that they wish to stand as a candidate for the School Council. They were also required to ask two people to nominate them.

The three candidates were then required to write a speech describing their best traits, what is important to them and what they would be able to offer the school.

On Friday 30th April the three candidates stood up in front of the rest of the school and read out their speeches. They all showed amazing confidence and each speech was powerful in persuading others to vote for them.

As part of the democratic process all pupils and staff members gave their one vote on ballot papers and posted them in a ballot box.

After the votes were counted there was a winner who had gained two more votes than the other two with the other two gaining the same amount of votes. Due to this outcome it was decided that the school would have a Leader and two Deputies on our School Council. Each pupil was delighted and they were instantly given their School Council badges.

The three School Councillors will be meeting with the Headteacher next week to discuss their ideas and to arrange a School Council meeting for the whole school.
