

Easter at Grateley House School!

Following the Easter egg decorating workshop during the lock down with the day bubble students, we extended the activity to the whole of the school.

We had quite a few children joining the workshop, where they learned the Lithuanian traditional craft technique of decorating Easter eggs with beeswax and dyes.

Everyone was amazed with the astonishing results. We had a little exhibition on the last day of the term in the courtyard for everyone to admire at all the good work.

Afterwards everyone who had decorated eggs took them home for Easter.
