

Some photos from our adventures!

Bronze D of E Camping Trip

On Thursday 15th July 2021 two students from Anglia Way set out to achieve their long-anticipated Bronze Duke of Edinburgh Awards!

The plan for the two days of the expedition was to complete a total of six hours of activity and then set up camp in the evening, camp for one night and then complete a further six hours the next day. Both students faced this challenge head on, without complaint and did their absolute best!

Day One!

On the first day, after a quick stop at Morrisons for supplies, two members of staff and the students were dropped off at the starting point in March. The students were so determined and completed their walk along the river Nene to Christchurch in less than two hours!

Everyone took a lunch break and then carried on the walk to Welney. The expeditioners were then taken to Downham Market to finish their walk to the campsite in Denver. They also picked up a furry friend on the way...

'Got to leave a man behind!'

'I am never this happy, I am so happy!'

'Are we there yet?'

The Campsite!

Everyone was relieved to get to the campsite and set up camp as it had started to rain on the final half an hour of the walk. Fortunately (for staff), JAJ had started to set up the tents, although students had to complete their own as part of completing their award. They were so committed to enjoying themselves, getting all of their camping equipment organised and cooking their own meals on a Trangia!

We had a glorious sunny evening on the beautiful lakeside campsite, made even better by a fish and chip delivery from our headteacher and deputy head! We played football, ate lovely food and even had evening guitar lessons.

Basil the dog particularly enjoyed his evening giving everyone a good run around with the football AND tennis ball!

Good morning happy campers!

Before we knew it, it was morning and we were ready for day two. We woke up at 7am, packed away our tents and got ready for the day. KA made us all some lovely bacon sandwiches and we sang a big happy birthday to JAJ our expedition leader who had a very special birthday to celebrate...

Day Two!

We took a drive at 8:30am to Whaplode St Catherine to begin our second walk. It was a beautiful sunny day and we had a lovely time chatting and looking at the views. We stopped after a couple of hours and sat by the river for a break. We then carried on the walk to Sutton St James, taking a slight detour to avoid the long itchy grass!

We then stopped on the village green and cooked up some noodles for lunch on a Trangia and this concluded the expedition!

A huge well done to our Bronze expeditioners- you made us all so proud!
