

Purbeck View's Summer Fayre

On Friday 23rd July, Purbeck View held a Summer Fayre. A wheel of fortune, photo booth and sensory area being only a small example of some of the fun-packed stalls and activities that were on offer.

One of the most popular activities was the slip and slide, enjoyed by all students and staff; highly appreciated on a hot July's day!

The Summer Fayre is a wonderful example of the creativity and inventiveness of our students and staff, working hard to create such an exciting day for everyone involved.
