

### POST-16 RESULTS

We are delighted with the successes within our Post-16.

We achieved a number of wonderful results, including one of our leavers receiving the following results in his A Levels: **A\* Maths, A\* Further Maths, A AS Level Physics**. He now progresses onto Cambridge University to study mathematics. He was also awarded the Paul White Memorial Cup from Brockenhurst College for overcoming significant hurdles in education.

Another leaver obtained an A in A Level Italian which he studied internally at Southlands School.

All of our P16 cohort that left this summer have progressed on to further study, which we are incredibly proud of.
