

## Outcomes:

To learn about the different features of the church

Knowledge about religion

Tour and facts about the church

Caring towards Ukraine

On Thursday 16<sup>th</sup> June 2022, Class smarties travelled to Holbeach Church to have a tour and visit the grounds and be grateful of the big windows and beautiful statues. Both boys enjoy their time in church and was fascinated with all the things up high and low. The lovely lady who showed us all around had a lot of knowledge and the boys kept asking her question.

The lady showed us where the vicar stands and talks to the people who visit Holbeach Church. Some people visit during the week to chat or pray, but normally service is done on a Sunday, where the choir will sing, hymns get read and some people will drink wine and have bread.

Smarties class completed their worksheets and spoke about what they could see, hear and smell in church as well as drawing a stained-glass window. The children then looked around the church to find two eagles, two angels and a dragon.

Finished the day having fun in the sun on the playground.

## Quotes:

Wow it is big in here

I found it

Be respectful
