Promoting happy, healthy and sustainable living at Hill House and beyond.

## ECO-SCHOOL!

It's official! Hill House School have been awarded the Eco-Schools Green Flag Award with Distinction!

This prestigious international award recognises our commitment to environmental education and acknowledges, rewards, and celebrates the ecological achievements of our young people. It helps us to create the next generation of innovative, inspirational environmentalists and tells our local community that Hill House is forward-thinking and actively engaged in protecting our ONE PLANET.

## RAISING THE FLAG

Hill House have ended the school year on a high! Back at the beginning of the 2021-2022 academic year, we launched our One Planet Living action plan that set out how we were going to make small changes to make a difference. Our application was highly praised by the Eco-Schools Team. Here are just a few extracts and a look back at what we have achieved.

*"It was lovely to see so many young people completing your Environmental Review. We loved hearing how your Eco-Committee communicated with the rest of their school and wider community! This shows that their work is valued, including information on your school newsletter is a great way to engage parents in environmental action."*

*"It was brilliant to be able to see the creative and innovative ways educators in your school tackled huge global issues in a child-friendly way - this shows a true dedication to environmental education."*

*"We're really impressed at how you've linked environmental issues to such a wide variety of curriculum areas, it was great to hear how the older children went on sensory walks, grew herbs and made a bottle bug catcher, grew a gift and so much more - it all sounds like a great way of learning how to protect our environment."*

*"Your uploaded evidence was a joy to read and we especially loved the 'Green Dragon's Den' idea, what a great way to get everyone involved and on board with your Eco-Schools work."*

*"You have achieved so much this year and all whilst learning a jam-packed curriculum!"*

*"What an amazing application and what an amazing Eco-School you are. Congratulations to everyone for the great work you have managed to do, especially throughout the pandemic and lockdown. You should all be very proud of your amazing work and the great application you have submitted. You are most definitely a worthy Eco-Schools with Distinction Green Flag Award winner!"*
