LOOKING TO THE FUTURE

- All students in Year 11 and 12 achieved at least two qualifications.
- Four of our students have moved onto FE colleges to access vocational courses.
 - One student is being supported by our residential team to access Level 3 courses at a local sixth form.
- One student achieved a grade 6 in Psychology having sat the exam this year whilst in Year 9. They have undertaken a supported transition to a mainstream school to sit the rest of their GCSEs in Key Stage 4.
