WORK EXPERIENCE

- One student spent two weeks independently accessing work experience at a law firm in London.
- Another student showed exceptional passion and dedication to his work experience at Peacock Computers.
- And one of our students was fantastic working at the model railway.

PERSONAL ACHIEVEMENTS

- One student had an exceptional year whereby his whole attitude to learning changed and he was able to achieve some really good outcomes in Y11.
- Another student took a range of subjects one year early and achieved outstanding results.
- Additionally, one student has achieved outstanding GCSE results and has settled in really well to his new college placement.
- Finally, one student has completed some excellent animation working towards AQA Units.

LOOKING TO THE FUTURE

- A student has gone on to student A Levels at a local college, he has really developed excellent social skills and is becoming increasingly independent.
- Another student has managed to move on to further education at Wing College and through his work experience he can demonstrate a fantastic level of knowledge and experience as well as improved life skills
