Taking responsibility of fundraised money

Description of event: Wisbech School came together and placed multiple charities that were close to individuals into a bag. During the term of Summer 2, MIND Charity was chosen at random to be the next fundraised charity.

This charity provides advice and support to empower anyone experiencing a mental health problem. They campaign to improve services, raise awareness and promote the understanding of mental health. In order for our pupils to spread awareness of this organisation, activities were chosen and posters were made to resemble how they were going to fundraise their own sponsors to support this charity, some including a fundraised walk by our class Puffins.

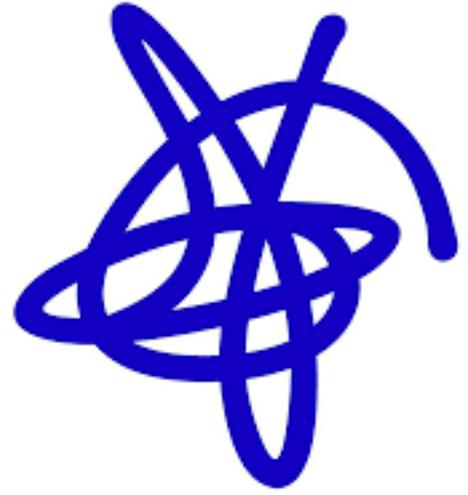

All monies raised by pupils were accumulated at the end of term and an incredible amount was raised. The total amount raised by Sessions House and Anglia Way accumulated to £308.50.

**Quotes:**
