General Statement of Cambian Group Health and Safety Policy

It is our policy to ensure, so far as is reasonably practicable, the safety of all employees and any other persons who may be directly affected by the activities of the Company.

So far as is reasonably practicable, Cambian Group will also:

- Aim to achieve compliance with legal requirements through good occupational health and safety performance.
- Provide adequate resources to implement this policy.
- Establish and maintain a safe and healthy working environment.
- Ensure that significant risks arising from work activities under our control are eliminated or adequately controlled.
- Develop and implement appropriate occupational health and safety procedures, and safe working practices.
- Include the management of health and safety as a specific responsibility of registered managers/heads/principals at all levels.
- Ensure this policy is understood and implemented throughout the organisation.
- Involve employees in health and safety decisions through consultation and co-operation.
- Maintain workplaces under our control in a condition that is safe and without risk to health.
- Regularly review compliance with the policy and the management system that support it.

Cambian Dilston College is committed to safeguarding and promoting the welfare of young people and expects all staff and volunteers to share this commitment. It is our aim that all students fulfil their potential.

Responsibilities and Reporting Structure

1. To meet the objectives of our health and safety policy we have clearly defined senior level responsibilities for the management of health and safety. These are summarised in the following organogram.
2. This hierarchy does not necessarily represent the organisation for other business activities.
3. The Chief Operating Officer has ultimate responsibility for the formulation and implementation of the company's health and safety policy, and **in particular for:**
 - Ensuring that the necessary arrangements are in place for managing health and safety effectively, and that senior managers are accountable for health and safety.
 - Considering health and safety during the planning and implementation of business strategy.
 - Ensuring there are sufficient resources for meeting the objectives of the health and safety policy.
 - Including health and safety on the agenda of Board meetings and senior executive meetings.
 - Ensuring arrangements are in place to monitor and review health and safety performance across the company, including accidents and incidents; and ensuring that the necessary amendments are made to relevant policies, procedures and processes.
 - Periodically reviewing the objectives of the health and safety policy.
4. Specific overall responsibility for the management of our health and safety programme on a day to day basis has been assigned to the Caretech Group Compliance and Regulation Director supported as appropriate by the Chief Operating Officer, Director of Facilities Maintenance and Group Clinical Lead. **This includes:**
 - Ensuring that the objectives of health and safety policy are implemented.
 - Ensuring that health and safety is considered prior to the implementation of new processes.
 - Ensuring that suitable policies and procedures are provided and implemented to meet the objectives of the health and safety policy.
 - Ensuring that there is a training policy in place so that employees are competent for their respective roles and their health and safety responsibilities.
 - Ensuring that arrangements are in place for the elimination or control of risks in relation to health and safety.
 - Ensuring suitable emergency arrangements are in place in relation to fire, accidents and first aid.
 - Ensuring suitable controls are in place for the effective management of contractors.

Cambian Dilston College is committed to safeguarding and promoting the welfare of young people and expects all staff and volunteers to share this commitment. It is our aim that all students fulfil their potential.

- Ensure that reports, recommendations and notices issued by enforcement authorities, external auditors, and other relevant parties are evaluated and actioned within allocated timescales.
 - Ensuring that contractors are competent for the work they carry out and operate to an effective permit to work system where applicable.
 - Monitoring performance in relation to health and safety and reporting to the Chief Operating Officer on progress against the objectives of the health and safety policy.
 - Reviewing accidents and other incidents in relation to health and safety and reporting to the Chief Operating Officer on the outcome of these investigations.
 - Ensuring that all that all the essential elements of the health and safety system are implemented, monitored and reviewed.
5. Day to day responsibility for the management of health and safety at individual locations is delegated to School Heads/Principals and Registered Managers of each individual location. **This includes:**
- Ensuring risk assessments are completed and reviewed for all significant work activities and the results of these assessments are implemented and communicated to employees.
 - Ensuring that the arrangements for fire, first aid, accidents and emergencies are implemented.
 - Ensuring that accident and incidents have been reported, recorded, notified and investigated as appropriate, and records are maintained.
 - Monitor health and safety standards on site at regular intervals and ensure remedial action is implemented.
 - Ensuring that employees receive adequate training, information, instruction and supervision to discharge to their specific health and safety responsibilities.
 - Promptly informing the Group Compliance and Regulation Director of any significant health and safety failure.
 - Providing the Group Compliance and Regulation Director with regular reports on health and safety performance.
 - Ensuring that local health and safety records and documentation are complete and are systematically stored.
6. Health and safety performances are reviewed locally on a monthly basis against defined key point indicators.
7. Health and safety risks are reviewed at a corporate level at the Quarterly Care Quality Committee.
8. Summary data is then submitted for review at the PLC Board.

Cambian Dilston College is committed to safeguarding and promoting the welfare of young people and expects all staff and volunteers to share this commitment. It is our aim that all students fulfil their potential.
