

Religion

What is Paganism?
 What do Pagans believe in? How do Pagans worship?
 These were the questions that the pupils had to find the answers to in the Religion Session.

Cultural Day

During today Anglia Way have been focusing on Paganism, along with the Spring-Equinox. Pupils had the opportunity to explore the meaning of both of these. What is involved in a Pagan festival including the music, cuisine and culture.

Cultural Traditions

In the tradition's session, the pupils learnt how Pagans organise their year into a circle which looks like a clock. A never-ending circle with 8 sections that work in conjunction with the 4 seasons. Pupils then designed their own Pagan wheel.

FUN FACT!

Wicca, or Witchcraft, is the most popular expression of Paganism.

Most Pagans are eco-friendly, seeking to minimize harm to the natural environment.

Quotes:

"Nettle soup, YUK, I'll never eat that" - KA

"The music I made, was amazing" - SA

"I can hear a harp, violin and a piano" - SJ

Cultural Art

During the art session, the pupils designed their own wreath to celebrate the Paganism style of 'Wicca'. Pupils looked and identified different types of plants that would celebrate a new life.

Cultural Cuisine

Pumpkin seeds and Seeded bread were the tasty treats in the cuisine session. Pupils then looked at what a Spring-Equinox menu would consist of. Mixed reviews were shared for the nettle soup.

Cultural Music

What type of music would you find at a Pagan Festival? That was the question in the Music Session. Pupils were able to play a piano that lights up the keys to make music.
