

# Whinfell Weekly

Your weekly newsletter about our school!

## This week at School

This week has been another busy week at Whinfell school.

Claire's class has been working really hard on their water colours, Pam has been putting us through our paces in athletics, and Jon has had us looking for poo so we can identify which animals have been passing through!

## Learner of the Week

A big Whinfell well done to our learner of the week - who was also awarded good work of the week! Great work!

## My Proudest Moment

\*\* has been working really hard towards his goal of owning his own landscaping business. This week he took his next step by using the ride on mower - well done!

## Teaching and Learning

This week teachers are going to be thinking about the importance of reading - and we will all be trying out our new exciting reading software Lexia Powerup!
