

Outcomes:

- Learn about the animals at the park.
- Behave well in public place
- Experience all the different rides.

Description of trip:

Today, class Meerkats went on a trip to Twin Lakes near Melton Mowbray.

Arriving at 10.30am, we decided to head for the furthest attraction in order to get ahead of other visitors. Having become drenched on this ride, we spent the next hour in wet clothes.

Next, we decided to go on the Buffalo Stampede Ride and were caught in the rain. This ensured that we continued to be rather damp.

We all and enjoyed the Bumper Boats and, surprisingly, we all managed to stay quite dry.

The most exhilarating ride was the Chairplanes ride which rose up way above the park. We followed this with a visit to Rooster Farm – a much calmer experience. We saw goats; a very small donkey; both llamas and alpacas; and a number of pigs and piglets.

Finally, and having dried-out completely when the sun came out, we made our way home at 1.30pm.

Everyone declared it to have been a great day.

Quotes

EM
"This has been the best day ever!"

BS2
"Can we go in the Cowboy Village to eat our lunch?"

EM
"come and look at the Llamas!"

Outcomes:

- To get on well with each other.
- Behave well in a public place
- Experience all the different rides.

Description of trip:

Today, class Meerkats went on a trip to Wickstead Park, near Kettering and Burton Latimer ('where the Weetabix comes from!')

Arriving at 10.30am, we were lucky once again to have arrived on a day when there were few visitors and we did not have to queue to get on any of the rides. We were also chosen to be given 'Concessionary' passes, to be able to go to the front of any queues should we have encountered them

We decided to explore the area of the park aimed at younger people, going on the Sway Riders chairplane ride and the Carousel, riding on the cockerels. After a look at the meerkats, we headed over to the main area of the park.

Firstly, we went on the Log flume and, once again, found ourselves fairly soaked. Being a sunny, warm day, we soon dried off whilst we had some lunch.

The most popular ride was the dinosaur roller coaster – a fairly short track but one that flung everyone around so forcefully that it became obvious why we needed to be strapped in so securely.

Other rides such as Galaxy Invaders were enjoyed before we had to make our way home once again at 1.30pm.

Wickstead, it was decided, was even better than Twin Lakes had been the previous day.

Quotes

"I want to see the meerkats"

EM

"I am going to ask Clare if we can come back here again"

BS2

"Get off my chicken!"

BS2

Outcomes:

- Team building
- Behaviour in public
- Social engagement
- Money management

Description of trip:

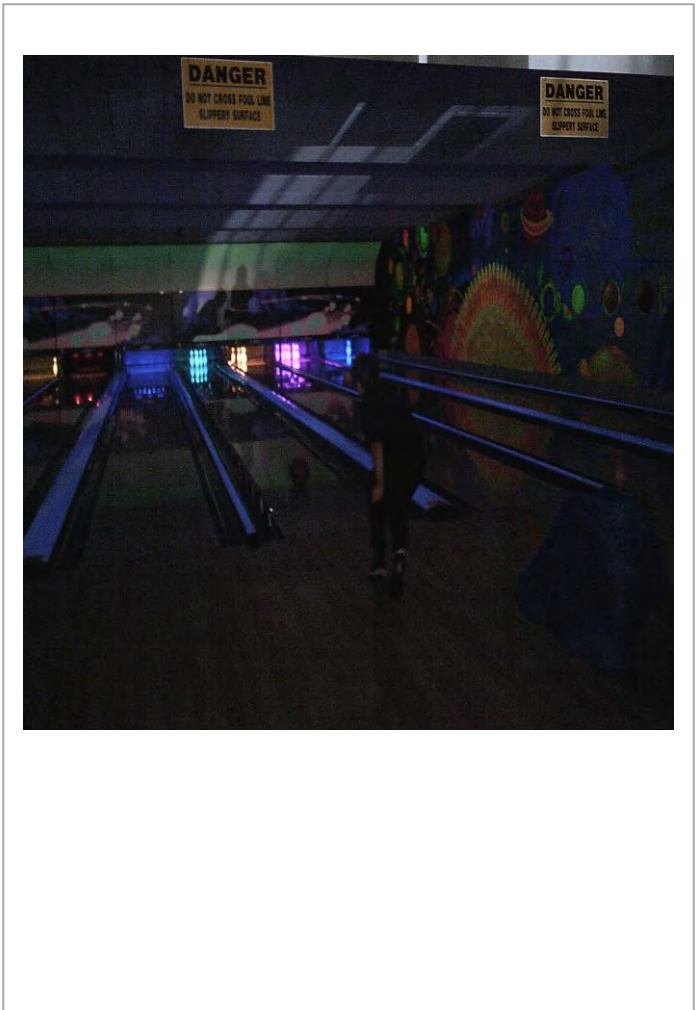

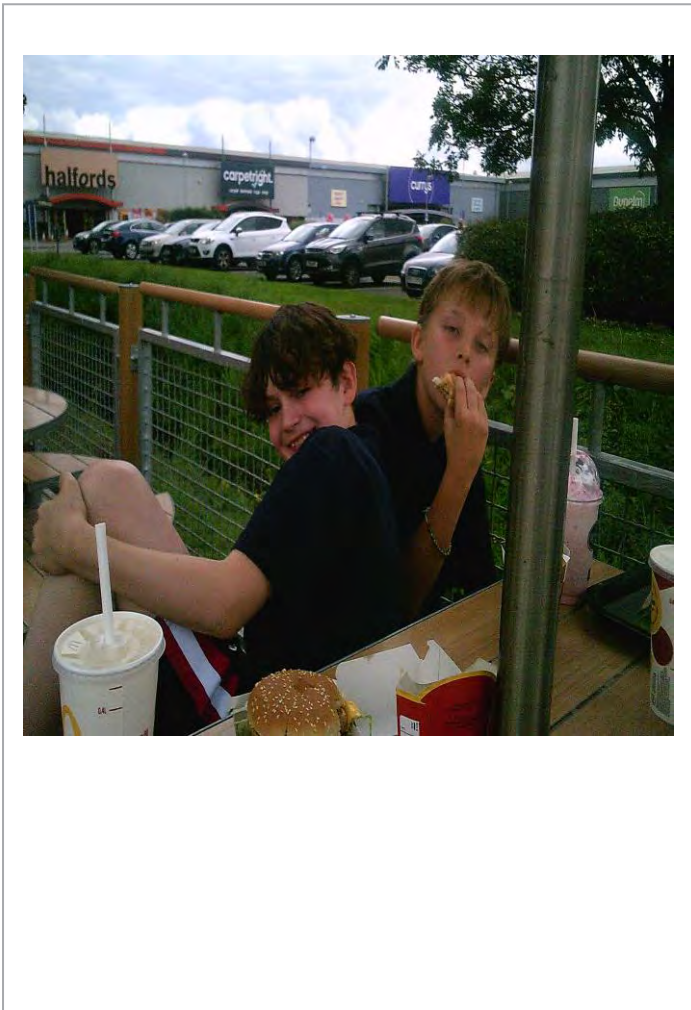

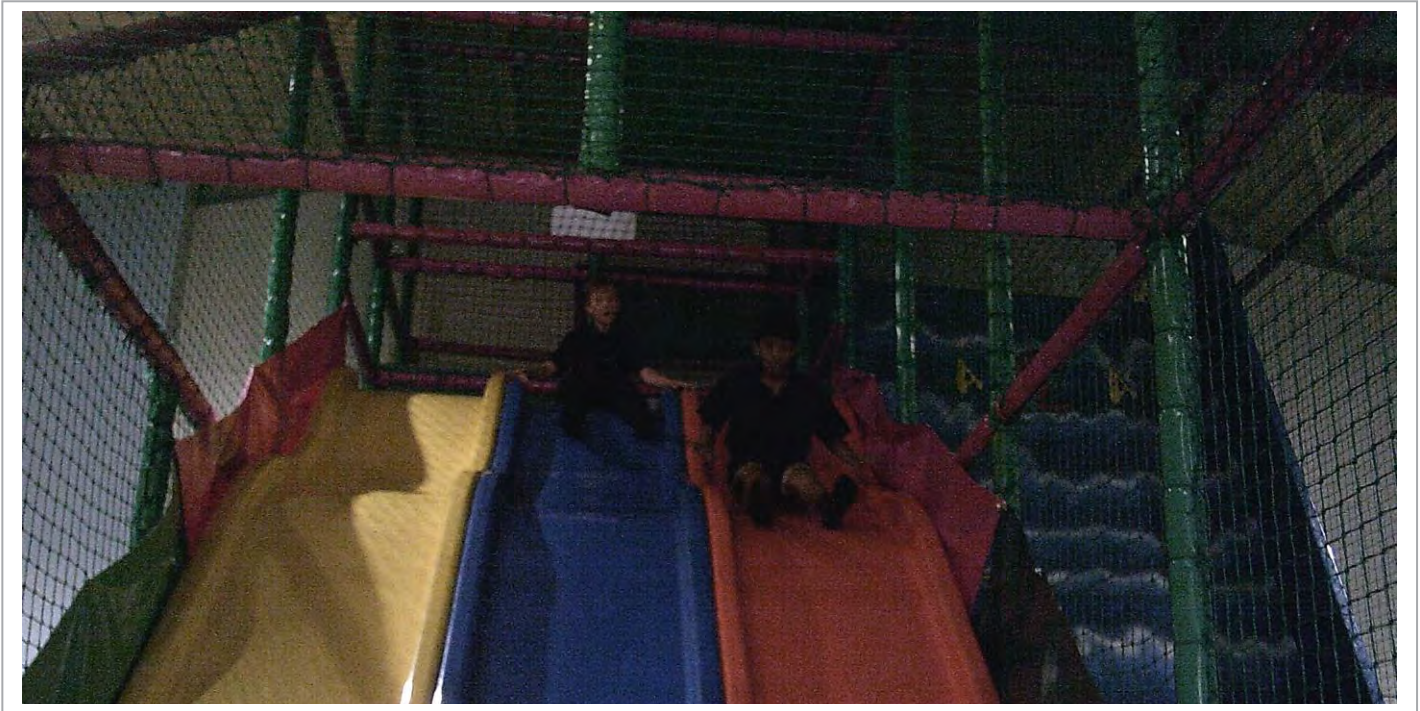

Today Smarties took a trip to Play 2 day to have a few games of Laser tag, bowling and soft play. The kids and adults absolutely loved this trip and we definitely have some budding bowlers in our class. After working up an appetite we headed over to MacDonald's for a spot of lunch, which went down a treat. Then with full bellies we had a quick stop at the park for a couple of team games before making our way back to school. This was a fantastic end to the year.

Quotes:

I'm going to win at bowling!

Come on Star, come on the slide with me!

I'm having a double Big Mac

Outcomes:

- Bonding time with staff and pupils
- Being independent
- Driving skills
- Social skills
- Celebrations
- Behaving appropriately in a public place

Description of trip:

Today we took the pupils to Red Lodge go karting track for their end of year reward trip. They had such a good time competing against their peers and staff members. Everyone had two ten minute sessions split up into two teams, team one and team two. All the pupils and staff said that driving the go karts was a lot of fun and also very tiring. Over all everyone really enjoyed themselves and said they would love to go back next year.

Quotes:

MS: I was so scared to do it at first. But I loved it in the end

JB: Did you see me skid round the corner on the track, it was so fun

SA: I can't wait to tell my mum about this, she'll be proud of me.

Outcomes:

Representing Wisbech School in public

Showing respect towards others and the community

Teamwork

Description of trip:

To celebrate the 2022-2023 academic year, Anglia Way pupils and staff enjoyed a day of fun and adventure at Rutland Aqua Park!

At the aqua park, wetsuits were pulled up and life jackets were buckled, knees shivering for excitement. Everyone enjoyed jumping of the deck into the deep water and swimming towards the floating inflatables. Pupils faced their fears by jumping off high edges, sliding down high slopes and being catapulted into the river.

It was great to see all the staff and pupils working together, helping everyone enjoy them-selves, have fun and making memories.

What a brilliant way to end the year of 2023!

Quotes:

"3, 2, 1....
CANNONBALL!"

AK, BK, SA

What a way to finish
the term! 😊

BK

We all had so much fun! I
can't believe I jumped off
the mountain jump!

SJ, JB

Outcomes:

Face your fears

Work as a team

Support others

Hand eye coordination

Strategic thinking

Whole body physical fitness

Health & safety awareness

Following instructions

Off to Theford we go to take part in the 'Go Ape' Tree Top Challenge. Our four intrepid heroes who fear nothing... except James who is scared of heights journeyed down to the venue singing even more scarily to karaoke classics.

Once there, the team of four took on board refreshments as they knew this was going to be a tiring event. It was then time for the health and safety briefing in which all safety aspects were thoroughly explained and pupils showed they had listened with a practice dry run. When the skills had been learnt, it was time to put it to the test. MD and CS couldn't wait to get started and soon picked up the hang of navigating the high course whilst operating their carabiners safely and precisely. There were ropes, logs, rings, ladders, moving steps and zip wires which really challenged the groups coordination, concentration and resilience. They all supported each other and cheered each other on until the final zip wire drop. MD, flew through the course like an expert, CS tackled the balance rings, KAR screamed the loudest and JAW conquered his fears. All in all, it was a fantastic day where staff and students worked together, laughed together and screamed together.

Quotes:

"AAAAHHHHHHH"
MD, CS, KAR

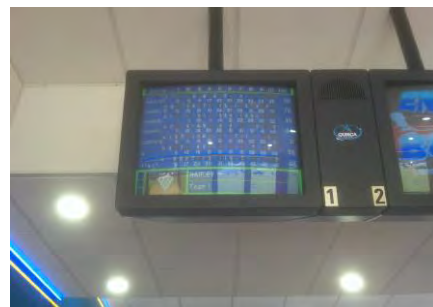

"Next time I'm
doing the extreme
challenge" MD

"I have conquered my
fear of heights. I am not
scared anymore." JAW

Outcomes:

- Socialising in public
- Having fun
- Teamwork

Description of trip:

Today Puffins class had one of their summer trips – going to Hunstanton, to take part in ten pin bowling, a picnic by the sea, some time in the arcade and – best of all – an ice cream!

Everyone enjoyed the bowling and celebrated different levels of skill - and techniques - in the game.

The children sat by the sea wall and ate their lunch, then it was into the arcade for some time spending money on the slot machines. Even though nobody won, everyone had fun!

Lastly (but not least!) we all had an ice cream or a slush, sat on the wall by the green, enjoying the sunshine.

Quotes:

“ I got a spare!”

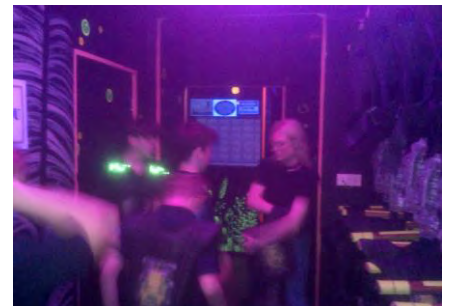

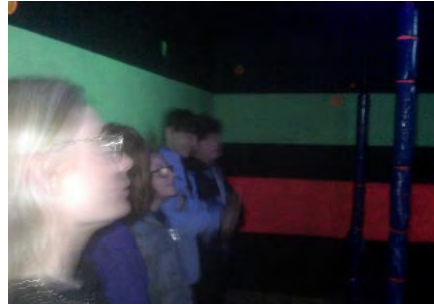

“Can I try and win one of those toys?”

“Look at all those motorbikes!”

Outcomes:

- Socialising in public
- Physical exercise
- Teamwork

Description of trip:

Today Puffins class had one of their summer trips – going to Play 2 Day (Lazer tag), McDonalds and Gorefield Park. We had lots of fun playing Lazer tag, and did lots of running around!

The children were very polite in McDonalds, each using their money to order their own food and speaking with the staff who served them.

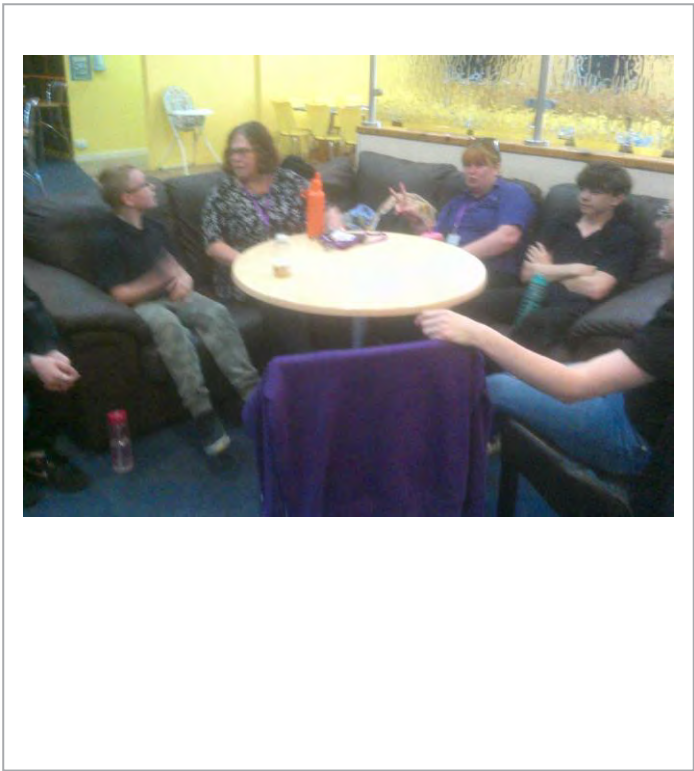

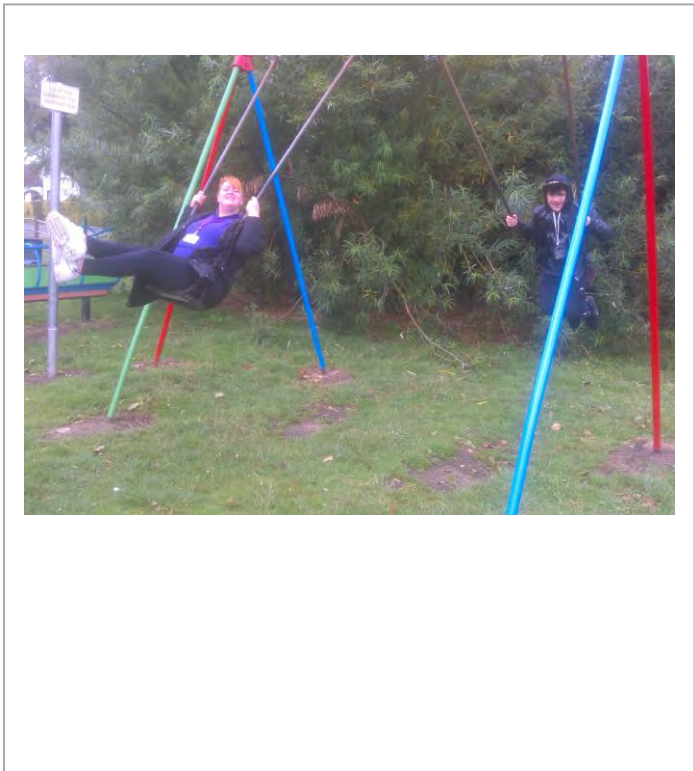

During our time at Gorefield Park, we played football, played on the park apparatus and had running races. We had a great time and everyone enjoyed themselves.

Quotes:

“Can I go and get a bag of chips now?”

“I won all the games!”

“What a great end to the year”

Outcomes:

Observing wildlife

Map reading around
the on foot zoo

Representing Wisbech
School in a public
place

Demonstrating
appropriate social
skills

Following health and
safety regulations,
especially when in
high risk enclosures

Description of trip:

To end a successful academic year, pupils and staff visited the Woburn Safari Park in Milton Keynes. As soon as the school van entered through the secured enclosure, we were all amazed by the varied amount of South African species ranging from zebras, giraffes, lions and elephants.

Driving through the enclosure was an experience that we all enjoyed, especially when the wild monkeys were climbing on the vehicle and taking a seat on the roof for a relaxing journey. Even the lions were entertaining us from our passenger seats, showing dominant behaviours as they would in their natural wildlife.

When walking around the on foot zoo enclosure, we continued the discovery to read information about new and old species. An excellent and educational day had by all!

Quotes:

"MONKEY ON THE
CAR"

"Wow look at all of the
South African animals, I
never thought I'd ever
see them in my life"

"They are putting boxes
with treats in,
underneath the sand, so
the meerkats can forage"
