

FUNCTIONAL SKILLS RESULTS

1 x English Reading
Level 1

1 x English Writing
Level 1

PERSONAL ACHIEVEMENTS

Student A started at Dunbroch School in February 2023, with significant gaps in education. Student A had not been in structured education for over three years. In the short time she has been with us, she has overcome her fear of English and managed to sit and pass her Functional Skills level One English in both Reading and Writing.

Student A has now attended the Profound and multiple learning disability school at Boston on a number of occasions. Student A has presented herself and Dunbroch in an excellent manner, by working well with the pupils and staff. She was invited to their end of year school trip and was able to support the students to have a good time. Student A has been offered work placement in the school at the next academic year due to her hard work and commitment, this is something that she is looking forward to.

Students at Dunbroch School have worked hard to set up the Friday Café! They will take orders from all staff on site from a selection of breakfast items. The students will then return to the food tech room, prepare and deliver the food to staff for a nominal charge. Not only is this giving the students excellent life skills such as cooking, cleaning, budgeting and handling money, the students are also work towards a level 1 qualification in Food technology.
