### PERSONAL ACHIEVEMENTS

**F** did really well at school working as ICT support for his work experience.

**A** enjoyed his work experience so much at Calshot Activity Centre that he personally organised an extended placement over the summer break.

**A** achieved 2 A - levels at a local college and a L3 BTEC. He has secured a place at a top university.

**S** has done so well in developing his independence and academic achievement whereby he achieved 3 A grades at A Level. He no longer requires the support of Southlands and independently attends a local college.

**M** achieved a good range of GCSES above a grade 5 and will now be attending a local college.

**A** achieved a grade 5 in his Maths GCSE even though he is only in year 8.

### LOOKING TO THE FUTURE

**S** is now able to attend college completely independently of support from SLS after having achieved 3 A's in his Year 12 A level assessments.

**A** has now gone to Portsmouth University after achieving a L3 in his BTEC IT and 2 a levels at B and C, through the support he recieved at Southlands he has been able to become exceptionally independent both in his life skills and also academic achievements.

**F** has gone on to study a Computer Science and E Sports course at Bournemouth and Poole College after securing the grades he needed. Throughout Year 11 he showed an excellent attitude to learning and worked above and beyond to achieve his potential, he was supoprted by staff that really knew his needs and how to enable F to achieve his best.
