

## DT Comicon

Last Saturday DT went on a trip to the Swindon Comicon and met one of his heroes, the 7<sup>th</sup> Doctor Who, Sylvester McCoy!

There were of course a lot of other interesting characters there from various pop cultures including these impressive Star Wars and Mandalorian Cosplays below.

## Laser Tag

This week some of our residents had a fantastic trip to Moors Valley for Laser Tag. All the young people really enjoyed the trip and have all said they would definitely want to do it again, maybe without it being the hottest day of the year!

We have given special thanks to Dan at Moors Valley, who organised it for us, and stayed on to specifically facilitate this for us, to thank him for his wonderful hospitality.
