

Our Vision and Aims

At Cambian Scarborough School, we provide a nurturing and inclusive environment where every student is empowered to achieve their fullest potential. We strive to create a community that prioritises social, emotional and mental health well-being, fostering resilience, self-awareness and lifelong learning. Our goal is to equip students with the skills and confidence they need to navigate life's challenges, succeed academically, and contribute positively to society.

Sledging!

Earlier in the school year some students enjoyed a day out sledging at Snozone as a reward activity for achieving their targets.

They were kitted out with safety helmets and had great fun whizzing down the ski slope on their sledges!

Allotment

Students have been working hard on the allotment and vegetables beds this year.

When it was time for planting, students started by taking some soil samples and doing a ribbon test to see what kind of soil we had. They used some compost to enrich and improve the soil for growing vegetables.

Students also built a polytunnel and compost bin with left over pallets and dug a wildlife pond as well.

Our first crop of potatoes has now been harvested and made into a delicious soup!

Dalby Forest

Some of our younger pupils went to Dalby Forest this term to learn and practice team building skills, they had a fantastic day out and worked really well together building shelters from sticks laying around on the forest floor.

After lunch, pupils braved the cold water and paddled in the shallow stream by the Visitor Centre, they used nets to look for different animals that lived in the river and spent some quiet time listening to the ebb and flow of the water and how it sounded.

Exams and Successes

Our year 10 and 11 students have been busy revising and completing their course work this term, all the exams have now been completed and we're now waiting on the results.

Well done to all those students taking exams this term and demonstrated exemplary behaviour throughout.

Also, a big thank you those younger students who respectfully stayed quiet in school whilst the older ones sat for their exams.

Education & Behaviour Targets

Congratulations to all those students who received Gold and Silver awards this term for achieving their educational and behaviour targets!

Awards Ceremony

We were delighted to give out special certificates to all pupils this year in recognition of an area in which they've excelled.

Yorvik Viking Museum – York

Some of our pupils visited Jorvik Viking Centre in April as part of their Entry Level Certificate in History. They were completing a Depth Study on the Vikings, so a trip to Jorvik was perfect for this and enabled them to have a learning experience outside of the usual classroom environment.

Pupils learned all about Coppergate and the origin of the word, as well as interesting facts like how Vikings only bought one shoe at a time and all about Viking poo pits!

School Council Elections

In April new school councillors were elected to represent the student body.

Five candidates ran for office, they worked diligently to prepare beforehand and gave fantastic speeches to the rest of the school. They talked about how they would make a good councillor and explained how they would help to make our school a better place for everyone.

Secret voting took place with an official ballot box, the votes were carefully counted and verified and two candidates were elected to represent the school.

The first council meeting took place two weeks later and the newly appointed councillors were busy collecting ideas, suggestions and requests from peers to put forward for debate.

School council meetings are a valuable resource for our school, we get to hear our student voice and it helps students to feel valued and appreciated.

We have already implemented suggestions from our last meeting, such as getting a new basketball net and more laptops for students to use in school.

Our Voice counts...

Dates for your Diary

School closes at 12noon on Friday 19th July 2024 for the Summer holidays and re-opens at 8:50am on Wednesday 4th September 2024.

School Policies

Our main school policies are available to view on our website.

Staffing News

A warm welcome to our new Learning Support Assistants; Phillip Pitter, Ayse Johnson and Damien Mason who joined the team this year. All the staff here wish everyone a very happy and enjoyable summer holiday!
