AWARDS

6 x Duke of Edinburgh expedition element - Bronze

PERSONAL ACHIEVEMENTS

- Student A from Year 9 won the 2024 Principal's Award. This student made significant academic progress in language & communication skills and her social, emotional development. She embodies our Southlands values and spirit. She also demonstrated great resilience throughout the year, overcoming personal challenges. In her recent Duke of Edinburgh expedition, she showed a willingness and determination to improve herself. She has shown kindness to others, gaining the respect of staff and students alike. She is cherished by those who work with her and alongside her and it has been lovely to see how she has flourished over this past year
- Year 4 student H achieved a significant number of AQA awards supported by the Care Team.
- Year 6 student Y successfully participated in the Children's London Marathon.
- Year 6 student K was awarded 'Artist of The Year' for creating a memorable sculpture.
- Year 8 student B achieved the Key Stage 3 Science award
- Year 6 student TC showcased impressive culinary talents through independent cooking.
- Year 6 student D demonstrated dedication and impressive performance in football.
- Year 6 student X demonstrated excellence in representing Southlands School through community engagement.
- Year 6 student T completed a year as the primary student anti-bullying ambassador. He did an amazing job demonstrating what it means to be a great friend.
- Year 8 student EJ completed a year as the anti-bullying Key Stage 3 ambassador. He supported other young people with their worries and helped to run the anti-bullying week.
- Year 9 student F achieved the Design Technology award for completing twelve design projects over four years.
- Year 9 student O gained an award for script writing.
- Year 10 student R achieved an award for effort and achievement in Science.
- Post 16 Student AB successfully and independently completed their first year of A level courses at the local mainstream college.
- Post 16 Student JF achieved an award for consistent effort in developing his music skills.

LOOKING TO THE FUTURE

- Two Year 11 students have successfully moved onto other Post 16 placements.
- Post 16 Students continue to access the local mainstream college. One student has moved to a Level 2 course and one student is completing their second year of A Levels.
