

Pupil Uniforms

Moving forward, we will be making some adaptations to the school uniform. As a school we are ordering white Cambian t-shirts for pupils to wear. If you would be interested in ordering these for your child then please get in contact with the school. Additionally, we understand that a lot of our pupils struggle with the sensory issues related to clothing. Consequently, pupils have the option to wear plain black or white t-shirts to school. We insist that if pupils chose to go down this route that the items of clothing are without a logo, or that the logo is small. Any questions in regards to this please get in contact with the school.

Dudley College

Just to let you know Dudley College is holding an open evening on Wednesday 11th June
7pm – 9pm

[Open Evening - Dudley College
of Technology](#)

Y11 Exams

This week we have seen the start of our Y11 exams. Our first exam undergone is the Art exam. Over these coming weeks, pupils have been provided with extra support and opportunities to revise for their exams. We wish all of our Y11 pupils good luck, and only ask that they do the best they possibly can in this stressful time.

WEEKLY

WHAT'S HAPPENING AT CNES?

Dates

- Knife Crime Awareness Week.

Personal reflection

What could I do to promote inclusion within my community?

I would promote respect to everyone and stop racism. I would also make everyone feel exclusive and welcome ~~the same~~ whenever I meet them.

"The extremists are afraid of books. The power of education frightens them."

She is saying that extremists don't understand her beliefs and that's what they are ~~afraid~~ scared of. They will judge something that is different or unique that they know little about. Making them go against it.

I agree personally with this statement because it shows us a different side to people. Not because religion should be supported, even though it should. It's ~~more~~ ~~about~~ actually showing us that sometimes people understand some things and sometimes they don't. And when it comes to something new, people are just unsure whether they can trust it or not.

Forest School Cooking

Pupils in Forest School this week have been making, and trying, Nettle Tea. They have been carefully collecting the nettles from around the Forest School area and then making them into tea. Pupils have also had the opportunity to try different ingredients in the tea such as honey.

Pupils Quotes about the flavour: -

"It tastes like unseasoned potato water."

"It's a bit mild."

WOW WORK

This amazing piece of work was completed by one of our Year 10 students Lewis.

They have been studying the topic of addressing extremism and radicalisation. Within this lesson, pupils were focussing on how to improve on inclusion within the community.
