- To Explore and learn.
- Behave well in public.
- Teambuilding.

Description of trip: This week Flamingos visited Adventureland at Springfield's. We had such a lovely time there with lots of choices on offer. First, we panned for gold in Goldie's Gold Mine. We had a great time bouncing, running and rolling around on the nets. We enjoyed our own time with our keyworkers. One of us enjoyed the JCB area, whilst others enjoyed Dino golf. Unfortunately, we couldn't beat our teacher though. We had a relaxing train ride through the gardens before recreating a photo of us all from last year. Amazing how much we have all grown. Soon it was time to leave and, on the way, back to the van we admired the gardens, in particular, the wisteria. The ducks came flocking around us, so we treated them to some bird feed. Thank you Cambian for a great day out in the fresh air! Next week is our last trip before half term.

Quotes:

"I found some gold"

"Can we have a photo in front of Jude's?"

"Let's play golf!"
