27.6.25 – Ice Cream Man comes to visit!

As a huge well done to pupils, and a thank you to staff, our wonderful headteacher Carrie surprised everyone by treating them to an ice cream or ice lolly from King Whippy Ice Creams. This was greatly appreciated and enjoyed by all within CNES.

Dates

- 30th June - Disability Pride Day

- 2nd July – Y11 Chasewater Trip
- 3rd July – First day of Work Experience
- 4th July – Teacher Training Day

WEEKLY

WHAT'S HAPPENING AT CNES?

23.6.25 – YourImpact Workshop

Our KS4 and KS5 pupils participated in a Your Impact Workshop that was put on by the Hereford and Worcester Fire and Rescue Service, (HWFRS). Your Impact is a programme to help support pupils to become better young drivers, safer passengers, and know how to make confident choices with road/car safety and awareness. Pupils learnt about seat belts and distractions, drink and drugs whilst driving and active travel. A highlight of the workshop was pupils being able to use the VR headsets to experience, and see what happens, in a road traffic collision. Pupils did really well in participating, and answering questions, around the topics

24.6.25 - Malvern Hills Trip

We took a group of our year 11 and Post 16 students for a day at the Malvern Hills This was planned by our Post 16 students as part of their Life Skills module on Planning a Leisure Activity. In perfect weather for walking the hills, we parked up at the foot of the Worcester Beacon and began our walk up the path towards the summit where, along the way, as well as the conversations, we encountered cows, sheep and other fellow hill walkers as well as quite a few dogs enjoying the exercise.
