Dear Rebekah

I trust this letter finds you well. I have had the opportunity to review Ofsted's report following their inspection in May 2025. On reviewing the report, I am delighted to extend my congratulations to the entire school community on their achievements. I was particularly pleased to see that good grades were achieved in all areas. This success is a testament to the unwavering leadership provided under your guidance, and I commend the entire school community for their collective efforts. This recognition underscores the dedication and commitment evident in the school's pursuit of excellence.

It was wonderful to read about the school's thoughtfully designed curriculum, enriched by tailored resources and strong staff insight. It was also great to hear how pupils benefit from engaging trips, such as visiting a local fire station, alongside hands-on experiences like mosaic-making and outdoor cooking, which broadens their learning and strengthens their connection to the wider community.

The local authority is eager to cultivate strong working relationships with all headteachers and welcomes any queries or discussions. Your Lancashire School Improvement Advisers will continue to support you with this. Feel free to contact Aby Hardy, Head of Education Improvement via email at: aby.hardy@lancashire.gov.uk for further information.

Please convey my best wishes to the entire school community, including the staff, pupils, parents, and governors. Your collective efforts in maintaining and enhancing the educational standards at the school are truly commendable.

Thank you once again for your commitment and dedication and please pass on my very best wishes to all your pupils, parents, and staff.

Yours sincerely

Jacqui Old CBE
Executive Director of Education and Children's Services
