

Unlocking Success: Cambian Hereford Students Take on Escape Hunt

Students and staff from Cambian Hereford School recently swapped the classroom for an exciting challenge at Escape Hunt in Worcester—and what an adventure it turned out to be!

Immersed in thrilling escape room themes such as *Dracula*, *Eye of the Sun God*, *Journey to Atlantis*, *Aladdin and the Magic Vault*, and *Curse of the Pharaoh*, our students worked together to uncover clues, crack codes, and complete ground-breaking missions before the clock ran out.

The experience was not only about fun but also teamwork, problem-solving, and resilience. Every student showed fantastic attitude, engagement, and behaviour, making them a true credit to the school.

Back in the classroom, the excitement didn't stop there. In English lessons, students channelled their experience into creative writing. Each pupil crafted their own article, bringing their escape room to life with vivid descriptions, atmosphere, and storytelling. Their work gave readers a brilliant insight into the immersive worlds they had explored.

It was an excellent day out—a perfect blend of adventure, learning, and creativity. A big well done to all our students for making the most of the opportunity and shining both inside and outside the classroom.
