

Outcomes:

- To Explore and learn.
- Behave well in public.
- Watch the film of the book we have been reading in English.

Description of trip: Today our teacher had planned a reward trip for our experience day as so far this term we have behaved exceptionally. Our reward trip was a cinema day in our classroom, Flamingos. We headed into town and had a budget of £2 each to buy some sweets and treats. When we got back our teacher had set up the cinema and made us pretend to buy cinema tickets and sweets from the reading room, as if we were at the cinema. We all then headed into the cinema (our classroom) to lounge on the beanbags. We felt like we were actually at the cinema when the Pearl and Dean music came on. Soon it was time for the movie. We chose, The Lion, The Witch and The Wardrobe, as we have been reading this book in English. On our walk we talked about how we all religiously wait for the film to start before tucking into our sweets at the cinema. So, in true tradition we did just that. We all enjoyed the film and completed a film review afterwards. It was a solid 8/10. Thank you Cambian!
