

Cambian Wisbech School trip report

date: 16/10/2025

Outcomes:

- To Explore and learn.
- Behave well in public.
- To pick and carve our own pumpkins ready for Halloween.

Description of trip: Today we visited the pumpkin patch near our school. It has become a tradition to visit each year, select a pumpkin and carve a design on it. It is one of our favourite trips of the year and signifies the start of Autumn. We had a look at all of the new displays at the farm and then chose our pumpkins. Making sure they had all of the criteria which makes a great pumpkin, like a strong handle, great shape, a great area to carve the classic pumpkin face. Then came the struggle to fit them all in the car! We all found our pirate name from a board. It was grouped by the first initial of your name and the month you were born. When back at school we carved our pumpkins whilst listening to Halloween music. Afterwards we made a display of them with the tea lights in. They look fantastic. We can't wait to take them home and show our families. Thank you Cambian!

Quotes:

"You're very helpful"

"I like the blue pumpkins"

"My pirate name is Captain Gun Powder"
