

Central Jamia Mosque & Ackers Adventure

On Tuesday 20th October 2025 a group of students from Cambian Hereford School had the enriching opportunity to visit Central Jamia Mosque Ghamkol Sharif in Birmingham as part of our religious education and cultural enrichment programme. During our tour of the mosque, students conducted themselves with outstanding respect and listened well to our insightful guide.

Following the mosque visit, we headed to Ackers Adventure for an afternoon of tubing! Students embraced the challenge of walking back up the dry ski slope after each run, and judging by the endless smiles, laughter and joyful screams, it was definitely worth the effort.
