

“Pain is Temporary, Pride is Forever”

On Friday 17th October students in Cambian Hartlepool School had a visit from a local professional Boxer, Joe Maphosa. Joe is currently a professional boxer with a record of 15 wins, 1 draw and 1 defeat. Joe has been part of both Team GB and the World Series of Boxing, training alongside famous professionals such as Anthony Joshua, Daniel Dubois, Nicola Adams, and Josh Kelly.

The students asked Joe questions regarding his boxing career, his upbringing, why he got into boxing and also what he gets out of boxing.

Joe passed on a great message about working hard and going after what you want in life, creating the right paths in life to give yourself a chance at a positive future.

After chatting to Joe, the students got the chance to take part in a little boxing lesson with him and do some pad work.
