Autumn Term 1: September – October 2025

This Term's News

Dear Parents/Carers,

It only seems like a few days ago that we were welcoming pupils back to the new school year! We hope that everyone is enjoying being back in school and getting back into routines. It is difficult to believe that we have been back for 8 weeks already!

After another busy half-term, we are all looking forward to a chance to catch our breath over the next week.

Special Events/Activities/News/Focus

Over this half term we have celebrated and supported World Mental Health Day (with staff and pupils wearing yellow) and World Animal Day. Pupils have taken part in numerous Outdoor Education sessions: kayaking, climbing and completing gruelling mountain-bike rides. Some of our pupils engaged in Yoga classes too, as part of National Fitness Day! Pupils, across the school, have made excellent use of the new Food Technology room, creating some amazing dishes and developing essential life skills whilst some of our older pupils have started vocational sessions, making the most of school's excellent links with some of our AP partners, accessing 'Hair & Beauty' and 'Fishing' courses.

ALL pupils had the chance to take part in an engineering 'Egg-stravaganza' - building structures to protect their eggs - dropped from a great height!

Over the next half-term, we will be asking pupils, parents/carers and other professionals to share your views of our school, through questionnaires, to support our continual process of self-evaluation.

HALLOWEEN

Autumn Term 1 ended on a real positive. The pupils and staff celebrated Halloween with some fantastic outfits being worn! Pupils took part in Halloween-themed activities and enjoyed some tasty treats.

The day ended with our rewards assembly. Pupils achieved certificates for their attendance and positive points collected from throughout the half term. The pupils with the highest percentages were also entered into prized draws to win vouchers. It was pleasing to see two of our pupils win prizes as a reward for their efforts. We look forward to watching the pupils continue to work hard to achieve their very best throughout the next half term.

No one can do more
than that."
