

Remembrance Day 11th November 2025

The students at school spent Remembrance Day commemorating the service and sacrifice of all those who have defended their countries in wars and other conflicts. They held a two minutes silence at 11 o'clock to pay their respects.

After the silence the students completed Remembrance themed activities for the rest of the day. Every student was able to have positive talks around remembering those who have fallen and paying their respects. There was an art workshop, baking session, crochet session and poetry session all around the theme of remembering those we have lost through war.

Crocheting poppies.

Baking Poppy biscuits.

Creating remembrance scenes.
