

## THE MOST AMAZING ENGLISH TRIP!

On Monday, November 24, 2025 the years 11 and 12 from Cambian Tyldesley School attended a special school-friendly performance of A Christmas Carol, which started at 10:15am and finished at 12:30pm. A Christmas Carol (a festive classic) was a heartwarming and magical experience, blending Victorian charm with contemporary elements, perfect for students studying the novella.

The show was interactive and inclusive, engaging the audience with the humorous adaption which not only uplifted the audience but gave us all a lovely Christmas glow as we left the show.

Not only were the staff and myself pleased in the way our students behaved before, during and after the performance, they made us feel extremely proud of them, as some of our students had anxiety, as they had never had the theatre experience and felt they could not sit through the whole of the performance. However, the feedback from the students was extremely surprising, as every one of the students enjoyed the performance and the whole theatre experience.
