

CAMBIAN WING COLLEGE: CHRISTMAS JUMPER DAY 2025

We take Christmas very seriously at Cambian Wing College.

On Thursday 11th December, our Food Tech Lecturer Benjamin Homer organised our yearly Christmas event. We adorned our best Christmas jumpers and ate homemade jumper shaped cakes, biscuits and brownies and raised £75.00p from the raffle for the Save the Children charity.

During the festive season, our Creative Arts Lecturer, Jennifer Frazer organised for our young people to design and make home made lino printed Christmas cards. This year's franchise made £70 profit.
