

## Cambian Wing College – Saturday 27<sup>th</sup> December 2025

One of Wing College residential students, Ru Sinnott travelled from Southampton Airport to Glasgow to spend Christmas with family. He bravely travelled independently on both flights.

On his return, Oakley, Chima and Louise met him at the airport.

Ru stated that he'd had the best time with family and it was one of the best Christmas's he'd had.

In recent Ofsted inspection, Wing College was graded outstanding in personal development. Ru's determination to gain his independence is evident in this trip with building on his travel skills.

Well done Ru.
