Description of trip: This week we have earned our trip to Putt In Peterborough. On Tuesday we went on a 3.2 mile walk as part of our orienteering course and all it did was rain. We were very soggy on return. So, it was nice to be inside and play crazy golf. We took it in turns to see how low we could get our score on each hole. Some holes were harder than others. We had to be honest and keep count of our own score. Some holes were frustrating, but our teacher commended us on how well behaved we were. We love how you can choose your own lucky colour ball and you keep it throughout. The scores after one round were really tight and only 2 points separated the top three players. We had a break then played our second game. The leader stretched out the lead to win by 6 points. Excellent fun. Thank you Cambian.
