

## Cambian Wisbech School trip report

date: 5/2/2026

### Outcomes:

- To Explore and learn.
- Behave well in public.
- To enjoy time with our friends at tobogganing.
- To enjoy the experience of going tobogganing.

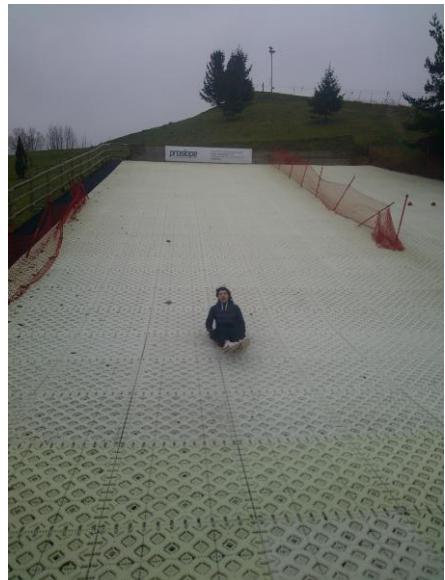

Description of trip: This week's trip was a visit to Tallington Lakes to go tobogganing. We have visited before, but never in the rain. It was cold and wet, but we kept moving and kept warm. The rain actually made the dry ski slope better. It was much less grippy and we're going down the slope really fast. This time the site gave us the ringos. These are giant inflatable rings that you sit in as you slide down the ski slope. We all had an enjoyable time, albeit a little soggier afterwards. We couldn't wait to get into the van and warm up. On the way home we played a word association game. The first word was chocolate and the next strawberry and somewhere along the way we got to the band Nirvana. Soon we were sleepy and warm, so the rest of the car journey was peaceful. Back to school to watch the traitors before our winter warmer lunch of curry and rice. Thank you Cambian!
