

💛 Kindness Without Borders 🌍

One of our Whinfell team members, who is originally from Kenya, regularly volunteers when visiting home at Mother Mercy Orphanage — a local orphanage that does incredible work supporting children in need.

When one of our young people, G, heard about this, he immediately wanted to help. G chose to donate footballs and rugby balls for the children at the orphanage so they could enjoy playing together and having fun.

This was entirely G's idea and shows such thoughtfulness, empathy, and generosity. We are incredibly proud of him for thinking of others and making a difference so far from home.

What an amazing and kind thing to do, G 🌟 🙌
