

Outcomes:

- To Explore and learn.
- Behave well in public.
- Reward for a fabulous half term.
- Enjoy time with classmates socialising.

Description of trip: Well, that was a long half term, where we have worked hard on our academic subjects. So, it was lovely to go out and enjoy the last day of term with our class to enjoy time together as a team. We decided on bowling. Some had bumpers to help them and others have grown in confidence, so were happy to go it alone without bumpers. After 3 rounds of bowling, it ended with the winner on 277 with second place on 187 and third place in 179. There were lots of strikes and spares and a good time was had by all. We are all ready for a well-deserved break. Thank you to our teaching assistant, Sally, who made us a cookie pie as a last day treat. Thank you Cambian. See you after the February half-term.

Quotes:

"Strike!"

"A spare!"

"Well done, great effort!"

Everyone has a personal best
